The Mackinac Band of Chippewa and Ottawa Indians Tribal Council is pleased to announce the upcoming General Election, which will include the following:

1. Filling the open Tribal Council seat
2. Voting on proposed amendments to the Tribal Constitution to ensure the document is up-to-date and reflective of our community's needs.

In preparation for this important event, we are calling for volunteers to serve on the Election Committee. The Election Committee will be responsible for overseeing and facilitating the election process.

Election Committee Requirements:

- We need three (3) committed tribal members to serve on this committee.
- Responsibilities will include organizing election logistics, ensuring a fair process, and certifying the results.

Deadline to Apply:

Please submit your interest to [email/contact info] by January 20, 2025, for consideration as the Election committee will begin work on February 1, 2025.

We encourage all members of the tribe to participate, whether by serving on the committee, running for the Tribal Council seat, or voting in the election. Together, we can ensure that our governance and constitution continue to serve our community effectively.

Thank you for your engagement and commitment to our shared future.

Sincerely,

Scott Henning
